ABOUT UNITED WAY

United Way of North Central Florida has been a staple of our community since 1957. Covering six counties - Alachua, Bradford, Dixie, Gilchrist, Levy, and Union - United Way exists to positively impact the health, youth opportunity, financial security, and community resiliency of our region.

Women United celebrates the power of women to bring about positive change in our community through fundraising, volunteering, networking, and learning opportunities that focus on education and early-childhood development.

We believe that literacy is the cornerstone of a child's success. Our ReadingPals program is a powerful initiative that pairs dedicated volunteers with young students (pre-k through 3rd grade) to foster a love for reading and build essential literacy skills. By sponsoring our Women United Holiday Luncheon, you have the unique opportunity to make a lasting impact on our community's future. Your support will help us provide the resources, training, and mentorship needed to ensure children have the chance to excel. Join us in creating a brighter tomorrow by nurturing the minds of today.

Together, we can transform lives, one page at a time.
